The Essence of “La Caixa” Foundation

Committed to local socioeconomic development right from the start, “la Caixa” Foundation soon began to provide social, cultural and civic services aimed at improving people’s quality of life.

Mission
To build a better and fairer society, providing more opportunities to those who most need them.

Vision
To be the point of reference for society in developing lasting solutions that:
- Meet the basic needs of the most vulnerable people.
- Foster the progress of society, responding to new challenges in research, high quality training and education.
- Make science and culture available to all segments of society.

Values
- Social commitment
- Responsibility
- Trust

With the aim of continuing to intensify the work carried out by “la Caixa” Foundation, in 2020 we have increased the budget to €560 million euros to respond to the needs of today’s society.

In 2019, “la Caixa” Foundation promoted over 51,000 activities with a total of 16.3 million beneficiaries, 11.1 million of them in Spain.

More than 115 years after it was founded, “la Caixa” Foundation is Spain’s foremost foundation, the second in Europe and one of the most important in the world by volume of social investment.

La Caja de Pensiones, para la vejez y el futuro, de la Caixa de Colonies, Barcelona, is a charitable organisation that “la Caixa” manages for the provision of social services, with the support of a group of associations of pensioners. The aim is to provide a social service to the elderly and its beneficiaries, for it is a very old, a very ancient requirement for the country’s greatest social service. Until the very end, it has served as the primary requirement for a country’s greatest social service.
